Ad Details

Fully functioning dating web site for sale!

Redwood City, California (relocatable)

Financials [\[Glossary of Terms\]](#)

Asking: \$60,000

Business Summary

Club90.com is an upscale, technically appealing social networking service. If you are interested in getting into the lucrative on line dating business, this site could be exactly what you are looking for. The site includes many features available in most singles sites. Some .NET experience would be necessary to upkeep or further develop the site. Over \$100k already invested in the technology alone. 1300 existing valid members to sell to. If interested in partnering, we are also willing to discuss terms on that as well.

General Information

Year Established: 2004

Facilities: This asset has over \$100,000 invested in development and initial client base marketing put into it. There are currently 1300 members using the site.

About the Sale

Support/Training: We will transfer this asset to you via legal papers. It is a web site and we will provide the software, training, and support to make it your own.

Reason Selling: No more marketing funds

Important! The information in this listing has been provided by the seller stated above. BizBuySell has no stake in the sale of this business and has not independently verified any of such information and assumes no responsibility for its accuracy or completeness. **Read the [disclaimer](#) before responding to any ad.**
