This is a wonderful opportunity. You can operate this web site from your home office. There is little or no overhead. Most of the advertising revenue is pure profit. You also have to put in very little time to make this money maker grow like crazy. The web site features one of the best vacation states in the country. The site gets between 2,000,000 and 4,000,000 hits a month. The site contains over 3,500 pages of information about anything you could possibly want to know about Florida. The site has won over 25 awards. The current cash flow should be doubled and trippled with the right marketing program. The hard work is completed.
