Ad Details

Patented hunting product

Tallahassee, Florida (relocatable)

Financials [\[Glossary of Terms\]](#)

Asking: \$150,000

FF&E: \$150,000 (included in the asking price)

Inventory: \$50,000 (included in the asking price)

Business Summary

This product has been on the market with great success. It has been on the Bill Dance Show on ESPN2. It has a website, molds and packagers all lined up. Has been in distribution in large outlets and Mom & Pops around the country. Walmart was very interested in the product when interest waned by the owners. It is an opportunity for an aggressive marketer.

General Information

Year Established: 1999

Employees: 0

Facilities: Trailer load of inventory including injection molds and everything to get the business up and running. Corp. all set up, take orders and ship to customers

Market Outlook

Competition: Business can be operated from anywhere. Had great acceptance when on the market before.
