Business description

Re-locatable Automotive Aftermarket Business in Virginia

This automotive aftermarket business is poised for growth, specializing in off road and 4x4 aftermarket products such as suspensions, specialty bumpers, lighting, wheels and tires, roof racks and recovery equipment. Established over 13 years ago, this company is consistently profitable and has several profit centers. The business is currently located in Virginia but could be re-located anywhere with retail and warehouse space. The current management feels that the business could become 100% mail order thus reducing labor costs and rent. The web site is consistently at the top of every search engine and the Alexa rating continues to increase. Turn key operation with unlimited growth potential for an automotive person with marketing expertise.
